July 2, 2018. The CAF/ICC support data is due on the same day as the ETC's interstate access tariff filing (see FCC DA 18-335 for dates).

If revisions to an original submission are filed with the FCC or USAC, a copy of the revisions must be filed with the Oregon Commission no later than five business days following submission to the FCC or USAC.

FILING INSTRUCTIONS

Please file submissions for this year in Docket No. UM 1946. Include this cover sheet with each filing to indicate which documents are included. Please fill in all relevant items of information on the cover sheet.

Filings must be electronically submitted to the PUC Filing Center. You may e-mail documents to puc.filingcenter@state.or.us. Please note that the upload process is no longer an option for filing. See the PUC website for further instructions. If selected portions of documents are to receive confidential treatment, those portions should not be filed electronically. You may electronically file redacted versions of documents containing confidential information, but then follow-up by sending full versions including confidential information printed on yellow paper.

After filing electronically, please send two hard copies of the filing package (cover sheet and filed information) to the PUC Filing Center. Be sure to include the original affidavit with the raised seal or notary's mark evident. Hard copies of confidential material should be filed in accordance with confidential designation requirements described in OAR 860-001-0070.

Regular delivery methods may be used to send all hard copy documents; overnight or express delivery is not necessary. Please send hard copy documents to the Filing Center via US mail using the following post office box address:

Public Utility Commission of Oregon
Attn: Filing Center
PO Box 1088
Salem, OR 97308-1088

If you send hard copy documents via means other than the US Postal Service, use the following address:

Public Utility Commission of Oregon
Attn: Filing Center
201 High Street SE, Suite 100
Salem, OR 97301

If you have any questions regarding the reporting requirements, please contact Kay Marinos at 503-378-6730 or send an e-mail to Kay.Marinos@state.or.us.

4005 Rural Broadband Experiment

Authorized Rural Broadband Experiment (RBE) recipients must address the certification for public interest obligations and provide a list of newly served community anchor institutions.

Public Interest Obligations – FCC 14-98 (paragraphs 26-29, 78)

Please address Line 4001 regarding compliance with the Commission's public interest obligations. All RBE participants must provide a response to Line 4001.

4001. Recipient certifies that it is offering broadband meeting the requisite public interest obligations consistent with the category for which they were selected, including broadband speed, latency, usage capacity, and rates that are reasonably comparable to rates for comparable offerings in urban areas.

Community Anchor Institutions – FCC 14-98 (paragraph 79)

4003a. RBE participants must provide the number, names, and addresses of community anchor institutions to which they newly deployed broadband service in the preceding calendar year. On this line, please respond (yes – attach new community anchors, no – no new anchors) to indicate whether this list will be provided.

If yes to 4003A, please provide a response for 4003B.

4003b. Provide the number, names and addresses of community anchor institutions to which the recipient newly began providing access to broadband service in the preceding calendar year. Name of Attached Document Listing Required Information

AFFIDAVIT CERTIFYING EMERGENCY FUNCTIONALITY
54.313(a)(5) AND 54.313(a)(6)

I, Mike Lattin, being of lawful age and duly sworn, on my oath, state that I am the President of Eagle Telephone System, Inc. and that I am authorized to execute this Affidavit on behalf of the Company, and the facts set forth in this Affidavit are true and accurate to the best of my knowledge, information, and belief.

The Company hereby certifies to the **Oregon Public Utility Commission, Federal Communications Commission**, and the **Universal Service Administrative Company** pursuant to the requirements under 47 C.F.R. 54.313(a)(5) and 54.313(a)(6) that in the provisioning of wireline voice services:

- 1) Eagle Telephone System, Inc., is able to remain functional in emergency situations including a reasonable amount of back-up power to ensure functionality without an external power source, the ability to re-route traffic around damaged facilities, and the capability to manage traffic spikes resulting from emergency situations.
- 2) All of Eagle Telephone System, Inc. Remote AFC cabinets are equipped with generators and battery backup systems. These systems immediately kick on if the main power to the cabinets has failed. The Central Office/Switch is also equipped with a generator and battery backup system that kicks on in the event of a power failure. Any time that there is an emergency situation such as a power failure we are able to provide service to our customers.
- 3) Our main customer service office is also equipped with a generator system so that if the power is down we are still able to remain open to service customer inquiries, answer our landline phones, and take care of any other customer service issues; during normal operating hours.

To the Board of Directors
Eagle Telephone System, Inc.

Report on the Financial Statements

We have audited the accompanying consolidated financial statements of Eagle Telephone System, Inc. and subsidiary (the Company), which comprise the consolidated balance sheets as of December 31, 2017 and 2016, and the related consolidated statements of income and retained earnings, and cash flows for the years then ended, and the related notes to the consolidated financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate for the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of Eagle Telephone System, Inc. and subsidiary as of December 31, 2017 and 2016, and the results of their operations and their cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Report on Other Legal and Regulatory Requirements

In accordance with Government Auditing Standards, we have also issued our report dated April 27, 2018 on our consideration of the Company's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards and should be considered in assessing the results of our audit.

Report of Independent Auditors on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with Government Auditing Standards

To the Board of Directors
Eagle Telephone System, Inc.

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards issued by the Comptroller General of the United States, the consolidated financial statements of Eagle Telephone System, Inc. (the Company) and subsidiary, which comprise the consolidated balance sheet as of December 31, 2017, and the related consolidated statements of income and retained earnings and cash flows for the year then ended, and the related notes to the consolidated financial statements, and have issued our report thereon dated April 27, 2018.

Internal Control over Financial Reporting

In planning and performing our audit of the consolidated financial statements, we considered the Company's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the consolidated financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, we do not express an opinion on the effectiveness of the Company's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Company's consolidated financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under Government Auditing Standards.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

This report is intended solely for the information and use of the Board of Directors, management, the Rural Utilities Service, and supplemental lenders and is not intended to be and should not be used by anyone other than these specified parties.

Independent Auditor's Report On Compliance with Aspects of Contractual Agreements and Regulatory Requirements for Telecommunications Borrowers

To the Board of Directors
Eagle Telephone System, Inc.

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards issued by the Comptroller General of the United States, the consolidated financial statements of Eagle Telephone System, Inc. and subsidiary, which comprise the consolidated balance sheet as of December 31, 2017, and the related consolidated statements of income and retained earnings and cash flows for the year ended, and the related notes to the consolidated financial statements, and have issued our report thereon dated April 27, 2018. In accordance with Government Auditing Standards, we have also issued our report dated April 27, 2018 on our consideration of Eagle Telephone System, Inc. and subsidiary's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, grant agreements, and other matters. No reports other than the reports referred to above and our schedule of findings and recommendations related to our audit have been furnished to management.

In connection with our audit, nothing came to our attention that caused us to believe that Eagle Telephone System, Inc. and subsidiary failed to comply with the terms, covenants, provisions, or conditions on its loan, grant, and security instruments as set forth in 7 CFR Part 1773, Policy on Audits of Rural Utilities Service Borrowers, §1773.33 and clarified in the RUS policy memorandum dated February 7, 2014, insofar as they relate to accounting matters as enumerated below. However, our audit was not directed primarily toward obtaining knowledge of noncompliance. Accordingly, had we performed additional procedures, other matters may have come to our attention regarding Eagle Telephone System, Inc. and subsidiary's noncompliance with the above referenced terms, covenants, provisions, or conditions of the contractual agreements and regulatory requirements, insofar as they relate to accounting matters. In connection with our audit, we noted no matters regarding Eagle Telephone System, Inc. and subsidiary's accounting and records to indicate that Eagle Telephone System, Inc. and subsidiary did not:

- Maintain adequate and effective accounting procedures;
- Utilize adequate and fair methods for accumulating and recording labor, material, and overhead costs, and the distribution of these costs to construction, retirement, and maintenance or other expense accounts;
- Reconcile continuing property records to the controlling general ledger plant accounts;
- Clear construction accounts and accrue depreciation on completed construction;
- Record and properly price the retirement of plant;
- Seek approval for the sale, lease or transfer of capital assets and disposition of proceeds for the sale or lease of plant, material, or scrap;

- Maintain adequate control over materials and supplies;
- Prepare accurate and timely financial and operating reports;
- Obtain written RUS approval to enter into any contract, agreement, or lease with an affiliate;
- Disclose material related party transactions in the financial statements, in accordance with requirements for related parties in generally accepted accounting principles;
- Comply with the requirements for the detailed schedule of investment.

Our audit was made for the purpose of forming an opinion on the basic financial statements taken as a whole. The detailed schedule of investment in affiliated companies required by 7 CFR 1773.33(i), and attached to this letter, is presented for purposes of additional analysis and is not a required part of the basic financial statements. This information has been subjected to the auditing procedures applied in our audit of the basic consolidated financial statements, and in our opinion, is fairly stated, in all material respects, in relation to the basic consolidated financial statements taken as whole.

See attached Schedule of Investment in affiliated company.

This report is intended solely to communicate, in connection with the audit of the financial statements, on compliance with aspects of contractual agreements and regulatory requirements for telecommunications borrowers based on the requirements of 7 CFR Part 1773, as clarified in the RUS policy memorandum dated February 7, 2014. Accordingly, this report is not suitable for any other purpose.
